SUBJECT: INFORMATION

This publication is for information purposes only and should not be construed as an offer, solicitation of an offer, public advertisement or a recommendation to buy or sell an investment product, whatever it is, or any other specific product. It aims to present the main features of SALAM PAX-SICAV - ETHICAL FUND OF FUNDS (the "Fund"), an investment company with variable capital incorporated in the European Union. For Professional investors only.

ACCESS

Any investment in the Fund will be made in accordance with legal documents in force (Prospectus and document key investor information, as applicable).

This publication is not intended for persons subject to legalization which prohibits the distribution or subjects it to a prior authorization. Anyone in possession of this publication will therefore be obliged to learn about any restrictions that may apply and will comply.

Securities and rights mentioned in this document can not be bought or held by or for investors domiciled in the United States and / or having citizenship of this country. It is the sole responsibility of investors to ensure they comply with the law and regulations of the country of which they are citizens or residents. It is for potential investors to obtain all information and appropriate advice in their country of origin, in their country of residence or in their country of residence regarding applicable legal requirements and all tax consequences restrictions Foreign currency and exchange controls and any other relevant aspects before making any decision to subscribe for, purchase, ownership, exchange or redemption on such investments, or before deciding to make any transaction a link with these investments.

WARNING RISK

It is advisable to seek the advice of a qualified expert. Investors should be aware that the value of investments can fall as well as rise. Positive performance recorded in the past is no guarantee of positive performance in the future. Forecasts are not a reliable indicator of future values. The risk of impairment or changes and the risk of fluctuations in returns due to unfavorable changes in exchange rates can not be excluded. It is possible that investors will not recover the full amount originally invested. We cannot accept any liability for loss or damage of any nature whatsoever, direct or indirect, that may be suffered due to the use of this publication.
